A Word from our PSHRA-WEST President, Demetrius:

Hello PSHRA-West Family,

As we welcome the vibrant energy of the Spring season, let us also embrace the profound wisdom encapsulated in the words: "The greatest leader is not necessarily the one who does the greatest things. They are the ones that get the people to do the greatest things."

This sentiment resonates deeply as we look ahead to the array of upcoming events that will shape our journey in the months to come. From the **2024 PSHRA-West Chapter Leadership Retreat on March 8th**, where we will unite in purpose and vision, to the **Utah Chapter Annual Conference on April 12th**, the **Southern California Chapter Annual Conference**

on April 17th, and the **San Diego Chapter Annual Conference April 24th & 25th** respectively, each gathering presents an opportunity to harness the collective potential of our HR community.

Let us embody true leadership by inspiring and empowering one another to reach new heights of excellence. Together, we have the power to achieve greatness, not only in our individual endeavors but also in the collective impact we make on our organizations and communities.

As we embark on this journey together, may the spirit of collaboration, innovation, and camaraderie guide us forward. Here's to a season of growth, learning, and transformative leadership.

Best regards,

"D"
