CPS HR Consulting is pleased to be assisting the **City of Rialto** in their recruitment of a **Deputy Director of Human Resources and Risk Management**.

The City of Rialto, located in San Bernardino County, California, and situated below the San Bernardino mountains, is seeking a proven professional with public sector experience to join their team as the Deputy Director of Human Resources and Risk Management. The Deputy Director is a highly motivated individual and a genuine leader that manages the City's human resources and risk management activities, including workers' compensation, general liability, employee relations, labor relations, leaves management, benefits administration, and recruitment and selection. Strong candidates will be equally adept at managing the technical human resources functions as well as maintaining overall responsibility for multiple areas of human resources including risk management and training functions. The ideal candidate must possess superior communication skills; be able to independently prioritize and complete a broad range of assignments with competing deadlines; and quickly formulate responses to challenging questions in a thoughtful and diplomatic manner. A customer service focus and strong interpersonal skills with the ability to establish and maintain effective relationships with co-workers, management, community members, and representatives of public and regulatory agencies are key requirements for this position.

Under the visionary and distinctive leadership style of the Mayor and City Council, Rialto has been thrust into the national spotlight as a recognized leader in the areas of public-private partnerships, business development, and job creation. Public safety, infrastructure enhancements, and a sustainable community top the City's priority list.

The City of Rialto's 2021-2022 proposed budget demonstrates a commitment to the City Council's Guiding Principles and Community Values: Rialto will be a Family First

Community; shall attract High-Quality Development and Improve its Physical Environment; Economic Environment will be Healthy and Diverse; will be an Active Community.
