Marysville, California

Human Resources Manager

Annual salary range: \$118,000 to \$144,000

The city offers an attractive benefits package.

Application deadline: Open until filled.

Established in 1959, the Yuba Water Agency is a stand-alone public agency that owns and operates the Yuba River Development Project. Nestled in the beautiful foothills of the Sierra Nevada mountains, the Yuba River Development Project significantly reduces flood risk and ensures a reliable water supply for the people of Yuba County.

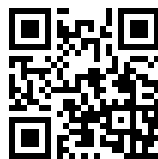

Yuba Water Agency is seeking a seasoned human resources professional with a proven track record of quickly and effectively assessing, engaging with, and acclimating to an organization's needs. This role requires creative ability, resourcefulness, and discriminating judgment in the analysis and solution of complex problems, and the ability to make technical decisions on specialized matters. Work is reviewed in terms of fulfillment of goals, program effectiveness, and soundness of judgment. Exceptional leadership, interpersonal, communication, and collaboration skills will be critical to the success of the next Human Resources Manager.

Any combination of education and experience that has provided the knowledge, skills, and abilities necessary for a Human Resources Manager. A typical way of obtaining the required qualifications is to possess the equivalent of six years of increasingly responsible experience in human resources, including at least three years as a supervisor, and a bachelor's degree in human resources, business, public administration, or a related field.
