

Contra Costa Mosquito and Vector Control District
Concord, CA

Human Resources and Risk Manager

Annual salary range: \$99,768 to \$133,701

Application deadline: Open until filled.

First resume review: **Friday, October 15, 2021.**

The Contra Costa Mosquito & Vector Control District is dedicated to the health and welfare of the County's more than one million residents covering 716 square miles. The District has been protecting public health since 1927 when residents formed the District. Largely funded through property tax dollars, the District offers free services for mosquitoes, rats and mice, ground-nesting yellowjackets, ticks, and skunks.

The Human Resources and Risk Manager, a newly created position for the District, is responsible for the development, implementation, administration, and application of employment and labor policies; safety and risk management strategies; and enhancing the District's culture through the implementation of organizational improvement efforts. Additionally, this position has superintending control over the District's third party risk contracts.
